___ I will be leaving the area if we are anticipating a hurricane, but I would like help when I return.

___ I will be sheltering in this area and would like to help in disaster response.

I would like to learn more about helping in the following areas (check as many as you like).

___ **Distribution of Goods** – Groceries, batteries, candles, toiletries, paper goods, baby items etc. for the “vulnerable population” (elderly, disabled, single moms, etc.)

___ **Work Teams** – Help with clean up and physical needs, especially for the elderly and disabled

___ **Advocacy** – Finding resources and helping people through the system

___ **Needs Assessment** – Pre-hurricane: This team will identify the “vulnerable population” in the church and in the neighborhood. Post hurricane: Small teams will assess needs, minister comfort, apply first aid, give referrals and direction, and report back to the appropriate church teams and county as is necessary

___ **Medical Triage** – Be available for first aid, direction, triage...

___ **Prayer and Emotional/Spiritual Support**– Coordinated and strategic prayer during the pre-hurricane preparation and prayer ministry in the church, on the street, and with the door to door teams during the hurricane response

___ **Children** – Child care for those in need, e.g. for those cleaning out their houses, filling out FEMA forms etc. as well as outreach ministry to the children of the area
